Internship Program Admissions

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:

The ideal candidate will be flexible, humble, compassionate, and attentive to detail, and have the following: MA Degree, Comprehensive Exams, and Dissertation Proposal by application deadline; minimum of 400 hours of AAPI Intervention Hours; minimum of 100 hours of AAPI Assessment Hours, including a minimum of 5 WAIS, and 5 Batteries and Reports with adults. They will have a passion for clinical work and learning; strong work ethic and organizational skills; acceptance of differences; strong clinical and interpersonal skills; desire to work as part of a team; and experience and commitment to working with diverse groups. Preference will also be given to applicants who have demonstrated interest and experience working with SMI in inpatient psychiatry and with dual diagnosis. The ideal candidate is a self-directed learner with a demonstrated passion for learning and contributing outside of oneself and leaving a legacy; strong case conceptualization, treatment planning, and writing skills; strong organizational skills with an ability to learn and work quickly in a fast paced environment; disciplined, detail oriented, and able to complete tasks in a timely manner; and a minimum of 4 years of graduate training in a PhD or PsyD Clinical or Counseling Psychology Program. Candidates from APA-accredited programs are preferred, but those from CPA-accredited or Non-accredited programs are also considered. We also are seeking at least one candidate who is Bilingual Spanish-speaking at a conversational level. We encourage all qualified applicants who embrace and reflect diversity in the broadest sense to apply.
